1. What Progress you have made in the Project ?

We started creating the website which will be accessed by users and organizations both. We created the basic User and Organization registration, login, updation and deletion functionalities respectively. Also the front end was made ready and just some minor changes were left for additional changes if needed in future.

2. What challenge you have faced ?

We didnt face any challenges in this step as we were quite experienced in this.

3. What support you need ?

No support needed at this time.

4. Which literature you have referred ?

No need to refer anything.
